UNIT 3: God Instructs His People

God continued to show Himself faithful to the Israelites, even though He knew they would be unfaithful to Him. God gave His people commands to follow because He loved them. God instructed the Israelites on how to love Him and other people. He gave them clear instructions on what it means to worship Him alone.

Big Picture Question: Why do we need to be saved? People are sinful and cannot save themselves.

Key Verse: There is no one holy like the LORD; there is no one besides you; there is no Rock like our God. 1 Samuel 2:2

Weekly Lessons: The 10 Commandments - Exodus 19-20 & 31, The Golden Calf - Exodus 32 & 34, Building the Tabernacle - Exodus 35-40, Worship at the Tabernacle - Leviticus 16, 19 & 26.

Looking to go deeper at home?

Each week your child will bring home an activity sheet with a QR code on it that will connect with resources to go deeper at home, with what your child is learning on a Sunday morning at church!

Ask your child questions about what is on the activity sheet, memorize the key verse of the month with them, scan the QR code and use the resources through the Gospel Project, and have fun learning together as a family!

Question for your family for the month: God saves us and deserves all of our praise. **How can we praise God today as a family?!**

Family Advent Month Success!

December was an amazing month celebrating Advent with the whole church! It was wonderful to study Jesus being the Light of Christmas together as families, kids in classes and as a whole church on Sunday mornings.

We heard so many encouraging words about having the children in the service, the laughter, noise, life and fun they brought was an encouragement to the whole service! Thank you parents for all of your hard work in bringing the children into be apart of the service for the month of December.

We are back to regular kids classes starting January 5th.

Reminder: Fusion sits in the service the first Sunday of every month.
